Subject: Notification of New Pipeline Construction  
Crowder Road Lateral Project

Dear Ms. Boyd:

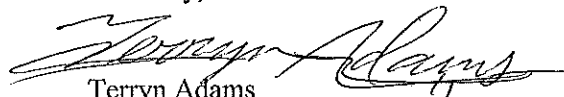

Patriots Energy Group (PEG), a joint action agency for Chester County Natural Gas Authority, Lancaster County Natural Gas Authority and York County Natural Gas Authority is working with our Contractors to install approximately 10,000 feet of 8" natural gas pipeline. This lateral will serve Chester County off the PEG mainline.

The cost estimate shows the combined project cost may exceed the \$500,000 threshold established in the Commission's Rules and Regulations 103-412.2.7 under "New Construction".

Please consider this letter as notification that Patriots Energy Group will begin pipeline construction for this project this coming week. It is expected the duration of this work will extend to mid October. PEG will copy the Office of Regulatory Staff (ORS) with this notification and will work with their office for any inspections or further correspondence requested.

If you have any questions, please contact me at (803) 323-5357.

Sincerely,

  
Terry Adams  
Facilities Superintendent, PEG
